

CHICAGO AND NEW YORK COVID-19 REGULATIONS

Blue Man Group and its partners are committed to providing a safe environment for all our patrons, performers, and staff. Please note that our regulations below are subject to change.

- **Masks are required** for all patrons regardless of vaccination status until **Monday, June 6th, 2022**.
- **As of May 2, 2022, guests will no longer be required to show proof of vaccination nor a negative Covid-19 test.**

For all shows *prior* to May 2nd 2022:

- All patrons 5 years and older will need to show **proof of vaccination** at check-in. Please see complete guidelines below:
- Proof of vaccination can be in the form of the CDC card, a clear photocopy of this card, or a clear mobile phone photo. Blue Man Group New York will also accept the NYS Excelsior Pass Wallet App.
 - Proof of vaccination must show the following:
 - Ages 5-11: That you have completed your 1st dose of your vaccination, and that at least 2 weeks have elapsed since your 1st dose.
 - Ages 12 and over: That you have completed the 1st and 2nd dose your vaccination, and that at least 2 weeks have elapsed since your final dose.
 - Guests who do not show a vaccine card must provide proof of a negative COVID-19 PCR test taken within 72 hours of the performance start time, or a negative COVID-19 antigen test taken within 6 hours of the performance start time. Proof of a negative COVID-19 test must show your name, the date and time of the test, the type of test taken and the results. These may be presented on paper or digitally.
- All guests who are age 18 and over are to **provide a current government-issued photo ID** (such as a driver's license or passport) along with their proof of vaccination or negative test.
- If you were vaccinated in another country, please contact our box office so that we may determine what type of proof will be required.

Thank you in advance for your patience and compliance.
